## Early Student Pick Up

Although students leaving early is discouraged due to missed instructional time, we realize that occasionally a student may have to. Should this happen, please inform the classroom teacher so that they can plan accordingly. With 680 students, it becomes a little chaotic when several children are picked up unannounced before the 3 o'clock bell. Thanks for your co-operation.

## Breakfast Club

We are looking for volunteers to help out with the breakfast program. Set up starts at 8:15am. Students enter building for the soft start at 8:40 and breakfast runs until 8:55. It is a grab and go style ranging from muffins, egg wraps, oatmeal, cereal, fruit, hashbrowns, pancakes etc. The variety is pending on volunteers. Please email Susan Aucoin at [saucoin@hrce](mailto:saucoin@hrce) if you are interested. We would appreciate all the help we can find.

## DSA Picture Day

Picture Day is September 16<sup>th</sup> and 17<sup>th</sup>, starting with the Pre-Primaries. Retakes will be done September 26<sup>th</sup>. Make your own packages! See all your images online at [photomasterstudios.ca](http://photomasterstudios.ca) - see attached

## Breakfast Program

Each morning breakfast is served to our students in the school cafeteria.

Students are welcome to come in the front door from 8:40 – 9:00. Breakfast items include: cereal, fruit, cheese, yogurt and crackers.

## NO STOPPING/PARKING SIGNS

You are encouraged to pay attention to the no stopping zones when entering and exiting the school. We need to keep the safety of the students in mind when we are coming onto the school grounds.

## Cafeteria

When you're placing your child's lunch order please be sure to use the following website: *When ordering, please remember your child's teacher.*

[www.nutrislice.com](http://www.nutrislice.com)

**Our cafeteria is online payments only ... cash is not accepted.**

More info will follow regarding the lunch program being implemented in mid October.

## School Office Info

**Student demographic forms will be updated by parents online through the parent portal.** It is very important that we have accurate information and working emails as that is how report cards, messages and communication is relayed. More information to follow. *Parents must log into the parent portal of Powerschool to access their child's information.* Instructions are attached to this newsletter.

Should items need to be dropped off at the office for students, please ensure the child's name is on them. We get several a day and without names, we can't ensure children get the proper item.

Thank you for your co-operation.

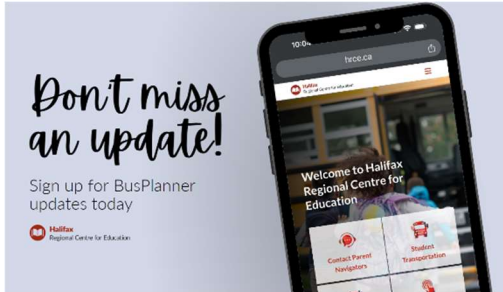

## Safe Arrival

Please call 1-833-582-6940 to report your child's absences. Calls home will be made by a computer-generated program. There are instructions attached to this email.

Doors open at 8:40 am and attendance is taken by 9:00 am sharp. Calls begin going home for all students who aren't in the classroom at this time. Students have 20 mins to arrive in class on time. To avoid the computer generated calls, please ensure your children are at school for 9:00 am attendance.

The school has the legal authority to collect this personal information under Section 24 of Nova Scotia's Freedom of Information and Protection of Privacy Act.

Only designated staff has access to our video surveillance equipment and such access is restricted as required by law. The system is used to enhance school safety and to deter or take action in response to unlawful behaviours.

## School Safety and Security

As you are likely aware, our school practices lockdowns as part of our emergency planning/preparedness cycle. Staff and students are familiar with lockdowns, but we wish to increase your knowledge of our procedures.

It is important to understand that school staff will implement a lockdown and call police if and when there is any reason to believe that imminent danger to students and staff may exist. At this stage, everyone in the school will move to a secure location, safe from harm. Police will respond to the school and no one will enter or leave, until the situation is resolved.

The first instinct of parents/guardians is to either phone the school directly or your child, or to attend directly to the school. You are asked not to do any of these, but instead to understand and follow the procedures outlined in this letter.

Experience has shown that roadways need to be kept clear for responding emergency vehicles, and parents and others attempting to drive to the school can slow police and other emergency responders from getting to and securing the area as quickly as possible. Therefore, if you hear that a lockdown is occurring at your child's school, do not attend to the school. Instead, you may attend to your schools' designated Parent location to receive information which will be provided by police and school representatives.

## School Safety and Security – cont'd

Please be assured that every effort will be made to keep you informed as to what is happening during the event. Experience has shown that incorrect information often circulates during an event when it does not come directly from the police or school board. After the lockdown, you may be asked to go to the school or to wait where you are until your child is brought to your location.

We also ask that you not attempt to phone your child. In a lockdown, everyone must remain quiet, and a ringing cell phone may draw undue attention to the secure location where your child and his/her classmates are.

Aside from lockdown procedures, your child's school may also implement a precautionary "Hold and Secure" if there is an unrelated emergency situation occurring outside the building or in the neighborhood that could potentially present a danger to the school. In this situation all doors to the school are locked and monitored to allow any students from outside entry into the school. Classes will generally continue but no one will be allowed to enter or leave the building until the situation is resolved. We also ask that you do **NOT** attend to the school unless asked to do so by school board staff.

We encourage you to discuss school safety with your child and to address any concerns they may have and we welcome any questions you may have about this or any other issue related to the safety and security of our school.

## School Messenger SafeArrival: A New Way to Report Student Absences

---

Dear Parents/Guardians

One of our greatest priorities is ensuring that all our students arrive safely at school each and every day. Our school will be implementing a new way to report absences through SchoolMessenger. If your student is absent and the absence has not been reported in advance, you will receive notifications via email, text, and phone calls from SchoolMessenger.

To report your student absent, you can use any of the following methods:

- **PowerSchool Parent/Student Portal**  
Parents/guardians can log into <https://sishrsb.ednet.ns.ca/public/> to access the link to the SchoolMessenger website to report future absences.
- **SchoolMessenger App**  
Parents/guardians can download the SchoolMessenger app for Android and iOS devices, create an account and use their email that the school has on record for them as their username.
- **Toll-Free Number**  
Parents/guardians can call **1-833-582-6940** to report future absences using an automated system.

All three methods are available 24 hours a day, 7 days a week. Absences can be reported at any time before the start of school on the day the student will be absent. Up to five consecutive absences can be recorded at once. If you have students attending other schools, please continue to report absences using the existing procedures for those schools.

# DARTMOUTH SOUTH ACADEMY

The expectation is that cell phones/devices for all students P-8 will be kept in lockers or backpacks when students arrive at school and for the duration of the school day. During class time, parents will always be able to get a message to your child through the office. Exceptions will be made for students who rely on their personal device for health reasons, (eg. blood glucose) after consultation with parents. Students in grade 7-8 will be able to use their devices at lunch.

## Join us in observing National Day for Truth and Reconciliation

Each year on September 30, National Day for Truth and Reconciliation honours the children who didn't return from residential schools, as well as survivors, their families, and communities.

Orange Shirt Day, led by Indigenous communities, aims to raise awareness about the inter-generational impacts of residential schools and allows us all to show our support for the Every Child Matters movement.

As there are no classes on Monday, September 30, we welcome staff and students to wear orange on Friday, September 27.

## Stand Up Against Bullying Day is September 12

On the second Thursday of September, we recognize Stand Up Against Bullying Day. This day, happening on September 12 this year, is an opportunity for us to start the school year off right – by celebrating inclusivity, kindness and friendship.

All schools in HRCE are focused on ensuring all students have a safe and welcoming environment in which to learn and thrive.

Please join us and wear pink if you're able on September 12 to take a stand against bullying.
