School Closure for Inclement Weather

The Halifax Regional Centre for Education takes great care when making the decision to alter the normal operations of schools in the event of severe or inclement weather. Decisions on school closures and/or bus cancellations are posted on the board's website at www.hrce.ns.ca, on Twitter at [www.twitter.com/HRCE_Official](https://twitter.com/HRCE_Official), recorded on 464-INFO (4636) and communicated to all local radio stations. You can also receive notice of school bus cancellations by e-mail or text message by following the link on the front page (left side) of the HRCE website. If you are interested in learning more on how decisions regarding closures and cancellations are made, visit

Change of Clothes

To avoid phone calls home and a possible interruption to your workday, you may want to put a change of clothes in your child's backpack. It's very difficult to predict what the weather is going to bring!

Early Student Pick Up

Although students leaving early is discouraged due to missed instructional time, we realize that occasionally a student may have to. Should this happen, please inform the classroom teacher so that they can plan accordingly. With 690 students, it becomes a little chaotic when several children are picked up unannounced before the 3 o'clock bell. *Thanks for your co-operation.*

Safe Arrival

We have a safe arrival program in place. Please call 1-833-582-6940 to report your child's absences. If your child is going to be late, please enter AWN for the day and we will change it once they arrive at school. There are instructions attached to this email.

Doors open for students at 8:40 am and attendance is taken by 9:00 am sharp. Calls begin going home for students who aren't in the class at this time. To avoid computer generated calls going home, please ensure your children are at school for 9:00 am attendance. If your child is late, you will probably receive a computer generated call.

Winter is on its Way!

Please keep in mind that we like to try to get the students outside for fresh air each day and encourage them to have fun in the snow, but the children need to be dressed for the colder weather; this includes snow pants. We've already gone through two bags of mittens and unfortunately, we do not have an endless supply. Please keep this in mind when preparing your children for school.

***Students must remember to
bring their own water bottles!***

Cell Phones @ DSA

Dartmouth South Academy is personal device tech free. This includes any device (phone, gaming device, etc.) that can connect to the internet and/or access social media. Over the past number of years, we have noticed an increase in student distraction from personal devices in classrooms. Many of the conflicts that occur with students are communicated and exacerbated throughout the day by means of personal devices. This may lead to situations that negatively impact the safety and security of our students. The expectation is that cell phones/devices will be kept in lockers when students arrive at school and that they will not be seen or heard during class time or in the hallways. During class time, you will always be able to get a message to your child through the office. Exceptions will be made for students who rely on their personal device for health reasons (i.e., monitoring blood glucose), after consultation with parents. Students will be able to use their devices at lunch.

Dates to Remember

November 11 – Remembrance Day (no classes)

Reminder Regarding Medications at the Office

Administering medications will only happen if the medication is in a prescription bottle with a label clearly stating the child's name, medication and dosage. The prescription must accompany a signed form from the parents/caregiver. We will not administer medication without this form. When medicine is to be given that doesn't require a prescription, the parents will have to administer it. We will not be able to accept pills in a baggie or container that does not have a prescription label.

SCHOOLCASH – REMINDER

A reminder to register for Schoolcash - Parents will no longer be required to have cash on hand in order to purchase items from the school.

When items get posted, parents that are registered will be sent an email notification from the system advising that there is now an item available for purchase.

School Surveillance System

Our school uses a video surveillance system as part of our continued efforts to support a safe, positive and effective learning environment. We recognize that the images recorded by this video surveillance system are personal information and, as with all other personal information, we take steps to balance privacy rights with safety and security concerns. The school has the legal authority to collect this personal information under Section 24 of Nova Scotia's Freedom of Information and Protection of Privacy Act.

Only designated staff has access to our video surveillance equipment and such access is restricted as required by law. The system is used to enhance school safety and to deter or take action in response to unlawful behaviours.

If you have any questions about video surveillance at our school, please contact Adrienne Blumenthal, Principal, at 902-464-2081.

Remembrance Day

Every year on November 11th, we observe Remembrance Day to commemorate the sacrifices of the armed forces during World War I, World War II, and other conflicts. This solemn day is marked by ceremonies, moments of silence, and the wearing of poppies in honour of those who have served and fallen.

Together, these days remind us of the courage and resilience of all who have served.

Transgender Awareness Week

Transgender Awareness Week, observed in the second week of November, focuses on raising awareness about the issues facing transgender and gender non-conforming individuals. The week highlights the challenges transgender people face, such as discrimination and lack of healthcare access, and promotes acceptance and inclusivity by encouraging supportive policies and practices.

The week helps to foster solidarity within the transgender community and with allies, providing emotional support and strengthening the transgender movement. It culminates in the Transgender Day of Remembrance on November 20, a day to honour those lost to anti-transgender violence, emphasizing the need for continued protection and support.

Be an Ally

An ally is someone who actively and consistently supports, stands with and advocates for the 2SLGBTQIA+ communities. The best way to be an ally is to listen with an open mind. It is our responsibility to treat all people with dignity and kindness.

Inclement Weather

Did you know? HRCE takes great care when making the decision to alter the regular operations of schools and school buses in the event of severe or inclement weather.

It is HRCE's goal to communicate any changes to the regular operations of schools and/or buses as close to 6:00 a.m. as possible. **A 6:00 a.m. announcement could be:**

- All schools are delayed in opening by two hours and bus pickups are delayed by two hours; or
- All schools are open, but some or all busses are not operating for the day; or
- Some schools (either individually or by family) are closed for the day; or
- All schools are closed for the day.

If weather deteriorates, or is forecasted to worsen throughout the morning, **an 11:00 a.m.**

announcement could be:

- Bussed students will be picked up two hours earlier than their regular dismissal time; and
- Walking students will be dismissed at their regularly scheduled lunch hour.

How will I find out?

- By email to the addresses in PowerSchool
- By text message, **if you have opted-in**. If you aren't sure if you have opted-in, text Y to the following number: **978338**
- [On the HRCE website](#)
- [On X \(formerly Twitter\)](#)
- [On Instagram](#)

It's important to always have a plan in place for childcare in the event of any cancellation.

Indigenous Veterans Day

Indigenous Veterans Day, observed on November 8, acknowledges the unique contributions and sacrifices made by Indigenous soldiers. This day highlights the bravery and commitment of Indigenous veterans, who have served with distinction despite facing historical and ongoing challenges.

School Safety and Security

As you are likely aware, our school practices lockdowns as part of our emergency planning/preparedness cycle. Staff and students are familiar with lockdowns, but we wish to increase your knowledge of our procedures.

It is important to understand that school staff will implement a lockdown and call police if and when there is any reason to believe that imminent danger to students and staff may exist. At this stage, everyone in the school will move to a secure location, safe from harm. Police will respond to the school and no one will enter or leave, until the situation is resolved.

The first instinct of parents/guardians is to either phone the school directly or your child, or to attend directly to the school. You are asked not to do any of these, but instead to understand and follow the procedures outlined in this letter.

Experience has shown that roadways need to be kept clear for responding emergency vehicles, and parents and others attempting to drive to the school can slow police and other emergency responders from getting to and securing the area as quickly as possible. Therefore, if you hear that a lockdown is occurring at your child's school, do not attend to the school. Instead, you may attend to your schools' designated Parent location to receive information which will be provided by police and school representatives.

School Safety and Security – cont'd

Please be assured that every effort will be made to keep you informed as to what is happening during the event. Experience has shown that incorrect information often circulates during an event when it does not come directly from the police or school board. After the lockdown, you may be asked to go to the school or to wait where you are until your child is brought to your location.

We also ask that you not attempt to phone your child. In a lockdown, everyone must remain quiet, and a ringing cell phone may draw undue attention to the secure location where your child and his/her classmates are.

Aside from lockdown procedures, your child's school may also implement a precautionary "Hold and Secure" if there is an unrelated emergency situation occurring outside the building or in the neighborhood that could potentially present a danger to the school. In this situation all doors to the school are locked and monitored to allow any students from outside entry into the school. Classes will generally continue but no one will be allowed to enter or leave the building until the situation is resolved. We also ask that you do **NOT** attend to the school unless asked to do so by school board staff.

We encourage you to discuss school safety with your child and to address any concerns they may have and we welcome any questions you may have about this or any other issue related to the safety and security of our school.

Reporting Student Absences

Dear Parents/Guardians

One of our greatest priorities is ensuring that all our students arrive safely at school each and every day. Our school will be implementing a new way to report absences through SchoolMessenger. If your student is absent and the absence has not been reported in advance, you will receive notifications via email, text, and phone calls from SchoolMessenger.

To report your student absent, you can use any of the following methods:

- **PowerSchool Parent/Student Portal**
Parents/guardians can log into <https://sishrsb.ednet.ns.ca/public/> to access the link to the SchoolMessenger website to report future absences.
- **SchoolMessenger App**
Parents/guardians can download the SchoolMessenger app for Android and iOS devices, create an account and use their email that the school has on record for them as their username.
- **Toll-Free Number**
Parents/guardians can call **1-833-582-6940** to report future absences using an automated system.

All three methods are available 24 hours a day, 7 days a week. Absences can be reported at any time before the start of school on the day the student will be absent. Up to five consecutive absences can be recorded at once. If you have students attending other schools, please continue to report absences using the existing procedures for those schools.
